

# PARKS AND RECREATION

## **EDM IS COMMITTED TO ENCOURAGING HEALTHY LIFESTYLES FOR OUR COMMUNITIES**

through innovative design of parks, open spaces, and recreational, educational and cultural facilities. We team with park staff to preserve natural environments, as well as strategically plan accessibility to all sizes of neighborhood green spaces, sport fields and courts, paths and trails, and other active and passive opportunities, all with the goal to encourage activity through a variety of safe and attractive parks.
